

MidCoast Residents Waste & Recycling Guide

Right thing, right bin!

Recycling

Put these items in your **yellow** bin

Ensure recyclables are empty and loose when placed in the bin (not stuck inside a bag/box).

Firm plastic packaging

Glass bottles & jars

Aluminium cans & foil

Steel cans

Paper & cardboard

Please do not bag your recyclables!

Lids can stay on bottles and jars.

Put these items in the **red** bin instead

Soft plastics

Tissues, receipts & shredded paper

Non-packaging firm plastics

Leather & textiles

Coffee cups & juice boxes

Pill packets*

* Or take to a pharmacist that participates in pill packet recycling.

Take batteries, e-waste, and gas bottles to a MidCoast waste management centre.

...And no batteries in any bin, including items that contain embedded batteries!
